Title: *My Angel*

Verse 1:

 C7 G
Curtains rise - the lights shine,
 G(3rd Fret) D7
I see the glimmer in her eyes,
 C G
She's the one who saved my life,
 C7 D7 G
But there's someone who's missing here to-night,

Chorus:

 C7
So I'll keep singin',
 G
Till' the good Lord takes me,
 C D7
Keep playin' - with the band,
 C7
I'll keep searchin',

 G
For My Angel out there,
 D C G
Till' I see her once again ...

Verse 2:

C7 **G**
It's been years since I saw her face,
G(3rd fret) **D7**
How this life's been rearranged,
C **G**
Would she know these weathered hands?
C7 **D7** **G**
Can she see I'm a diff'rent sort of man?

Chorus 2

Bridge:

Am **D7**
You know it's funny ... I always told her,
C **G**
She'd live to be ninety five,
Am **D7**
I was wrong - Now she's an Angel,
C **D** **G**
In Heaven - she shines a brighter light
